## Build a Better World with USCL's Summer Reading Program!

The month of June is filled with great activities and programs for you!

All ages are invited to take part in reading and other activities, complete book logs,

share book reviews and enter drawings for prizes. Join the fun!

*\*A complete schedule is available at the front desk\**

### Have you seen the Pop-Up Library?

A Pop-Up library is a temporary collection of materials for patrons to browse and check-out, at a location other than the library.

It's not just about the books...we may have a Storytime at the park or a member of the library staff may be available to help you learn about the library's digital and online resources. Keep an eye out for us around town and like our page on Facebook so that you will always be notified about where we are.
